## Round Dancing:

Description Source Wikipedia ([https://en.wikipedia.org/wiki/Round\\_dance](https://en.wikipedia.org/wiki/Round_dance))

Modern social **round dancing** is choreographed and cued [ballroom dancing](#) that progresses in a circular pattern, counter-clockwise around the dance floor. The two major categories of ballroom rhythm found in round dancing are the smooth or international rhythms, such as [foxtrot](#) and [waltz](#), and the [Latin](#) rhythms, such as [cha-cha](#) and [rumba](#). It is not to be confused with [circle dancing](#), which is a type of [folk dance](#) where dancers are connected in a circular chain.
